Newsletter 01: 4th February 2016

Thought for the Week: Five Undeniable Facts of Life:
1. Don't educate your children to be rich. Educate them to be happy, so that when they grow up they will know the value of things, rather than the price of them.

WELCOME BACK!
Welcome back to our returning families, to a new and exciting year at Elliott Heads State School. We offer a special welcome to all our new families, throughout the grades, as well as our new Prep students. This year we have 17 new Prep students (with three sets of twins!). We hope all of you have a long and happy association with our school. We trust everyone has had a lovely holiday break with family and friends and are rested and refreshed for an exciting year ahead.

STAFF/COURSES FOR 2016
Prep/1 Miss Tanya Eizenberg 23
1/2/3 Mrs Liz Shield 24
3/4 Mrs Kelly Brown 23
4/5/6 Mrs Teeny Patterson/Ms Lori Christie 24
Special Education Program: Mr Kevin McLaren Learning Support: Mrs Julie Adler

LOTE: To be advised
Office Admin/Teacher Aide: Tracy Gollshewsky (Mrs G)
Cleaner/Relief Teacher Aide: Mrs Deb Brauer
Teacher Aides: Mrs Denise Lee
Ms Michelle Loder
Mr Zac Templeman
Ms Taryn Gollshewsky
Ms Belinda Biggs Special programs
Ms Nikki Zupf Special programs
Ms Lisa Leppala Special programs
Mrs Jillina Whittaker Special programs

If you have any concerns whatsoever about your child’s education, or any information about your child, please don’t hesitate to see your child’s teacher, in the first instance.

Meetings with Teachers: If you require more that “a quick chat” before or after school, please make a meeting time to speak to your child’s teacher, at a time suitable to you both. Our teachers also have families and family commitments, and would appreciate you making an appointment.

Meeting with the Principal: Our Principal, Mrs Teeny Patterson (You might see her ‘proper’ name, Cathearna, on official paperwork) is a teaching Principal and teachers Grade 4/5/6 on Mondays, Tuesdays and Wednesdays, and is generally not available on those days to meet with parents, until after 3:00 p.m. She is available on Thursdays and Fridays, if not attending meetings out of the school. Please phone or call into the school office to make an appointment.

Getting emergency messages to your child:
Our Admin Officer, Tracy Gollshewsky (Mrs G), also works in classrooms as a teacher aide. We ask that if at all possible, you make sure your child knows, BEFORE THEY LEAVE HOME IN THE MORNING who is picking them up, whose place they have to go to, whether or not they are going on the bus, etc. If an emergency arises and your plans change suddenly, please phone the school with enough notice before finishing time of 2:55 p.m. for us to get a message to your child.

P&C PICKINGS
Next Meeting-Thursday 18th Feb, 9:00am, in the library.
Email: pando@elliottheads.qld.edu.au
President: Amanda Hamzat
Vice President: Lyn Barton
Secretary: Monica Ade
Treasurer: Belinda Biggs

FACEBOOK PAGE: Please ask to join!
Elliott Heads Parents and Staff - It’s a great way for us to keep in touch with you!
PLEASE SUPPORT OUR HARD WORKING P&C

Please come along to our first meeting for the year on Thursday 18th February, at 9:00 a.m. in the library. Our P&C runs various events throughout the year that helps to pay for such things as:

- money towards the building of our new junior playground (commencing on 22 Feb)
- $15 subsidy per child towards their yearly Mathletics Subscription.
- events such as Level Reward Days
- the running of our tuckshop
- organising the lunches at special events such as NAIDOC Day, Athletics carnival, etc.

It would help them enormously to know that they have people they can call on, to volunteer in the tuckshop and help run events as they come up. Please come along.

SCHOOL FACEBOOK PAGE

If you are not yet a member of our school Facebook page, please look us up and request to join. This is a CLOSED Facebook page open only to parents and carers of our students, and CURRENT playgroup children. Search for Elliott Heads Parents and Staff and someone will accept your request.

PLAYGROUP

Playgroup this year will run on a FRIDAY morning from 9:00-11:00 a.m. All children from birth to 4+ years of age are most welcome to attend. They must be accompanied by an adult, and we ask you to bring a small plate of something reasonably healthy to share. The first playgroup will be on Friday 12th February. We find this is a great way for your children to get used to the school, the classroom and their teachers, especially if they are entering Prep next year. Children who attend our playgroup don’t suffer any separation anxiety once they start school. Hoping to see you there!

PARENT VOLUNTEERS

There are lots of ways parents can help out in our school:

- helping with reading/literacy groups in the classroom
- changing home readers for students
- assisting with gluing homework into homework books
- covering library books in contact (can be done at home)
- assisting on a roster basis in the tuckshop
- hearing individual students read, or learn their sounds/sight words before school (8:30-8:50)
- gardening and maintenance (we have no groundsman)
- setting up the vegie gardens with students and taking a small group to establish and maintain them
- lending us your expertise in a particular area, when it is requested through the newsletter.
- assisting with transport to local venues, as requested through notes home or the newsletter
- cooking items for a fundraiser, or to support the school’s chaplaincy program

Please use the tear off slip at the end of the newsletter to indicate if you are interested in helping in any of these ways, and keep your eye open for any requests through notes home or the newsletter.

If you are volunteering to help regularly in the classroom, PLEASE MAKE SURE IT IS SOMETHING YOU CAN COMMIT TO, as it is difficult for teachers to make last minute adjustments to their planning, if you do not attend. If you can’t come, please try to give us notice the day before.

ATTENDANCE

Please know that our school operates under an EVERY DAY COUNTS motto for attendance. $10 Gift Cards are given out at assembly every Thursday at 2:30 p.m. (parents are most welcome), and major awards are given to students at the end of the year for 100% attendance. Our school target is 96%.

If your family or business would like to sponsor a weekly award ($40) please use the tear off slip at the end of the newsletter.

There are already children who have had several days off school, and it is only Week 2. Under state law, you are required as parents to ensure your child is at school on every possible day. Please do not give in to your child if they are feeling a little sick in the morning, unless you know they are genuinely ill. Often it is just a little bit of nerves (or an attempt to manipulate their parents in giving them a day off) and this will often subside within a few minutes of them being at school, with their friends, and into a routine.

All absences must be explained, either by a note upon their return, a phone call on the day of their absence, or an email to principal@elliottheadss.qld.edu.au

If your child is away for any of the following reasons, for example, they will be marked as an Unauthorised Absence:

- birthdays (cakes are most welcome at school)
- visits to or from family members who live quite locally
- 'sick' but seen riding their bike around the neighbourhood
- shopping

If your child needs a non-urgent doctor’s appointment, it would be most appreciated if it was made outside school hours. If this is not possible, please bring your child to school and sign them out just before the appointment and sign them in again when they return. A register is kept in the office.

Please do not make arrangements for family holidays in school time. If, for some reason, it is absolutely necessary, and your child will be away for more than 10 school days, you must apply for an exemption from school. Exemptions will only be granted in extenuating circumstances. During this time your child will be deregistered and then re-enrolled upon their return. Please approach the school office for further information.

ABORIGINAL AND TORRES STRAIT ISLANDER (ATSI) COMMITTEE

We have a parent, Tony Zegiel, who is wanting to start an ATSI committee here at school to plan activities to celebrate Aboriginal and Torres Strait Islander heritage, and to support ATSI students and their parents. If you would like to be part of this committee please give me your details to pass on to Tony. It would be great to have an ATSI committee up and running again.

CHAPPY CHAT

Hello All! Welcome back from school holidays I hope everyone is feeling refreshed and ready for this year 2016 – it's going to be a great year!!

I thought I might just take a moment to remind you all of what I do here at Elliott Heads as a chaplain. SU QLD chaplains, or 'chappies', provide spiritual and emotional support to school communities. We are in the prevention and support business; helping students find a better way to deal with issues ranging from family breakdown and loneliness, friendship issues, depression and anxiety.
We provide a listening ear and a caring presence for kids in crisis, and those who just need a friend. We also provide support for staff and parents in school communities.

**Brekkie Club** started back up this week on Tuesday and Thursday mornings. We offer cereals, toast and toosties.

"And for the parents and staff hot chocolates, chia lattes and coffees are available for $2. All Funds go to supporting the much needed Brekkie Club service.

**STEP UP, TEAM UP and SUPPORT YOUR CHAPPY**

The Spin Off - Gym Bike Challenge is happening on Saturday 12th March at the YMCA from 3pm-6pm, this is a fun chaplainscy fundraiser.

I would LOVE to have you apart of my team!! There are a number of categories so you're all welcome. One bike, 10 members, 30 mins on the clock.

The stadium is pulsing with energy and excitement. One thousand people are on their feet, roaring for more speed, for one final push!

Every competitor in the arena has their eyes fixed on the scoreboard. Watching the clock count down seconds, eying their rivals. Months of training and strategy are coming to a head. The thunder of the crowd reaches a crescendo as the last second ticks off the clock. And the competitors hurl themselves in the final sprint, legs pumping as they push their bodies to the limits of exhaustion...

Check out: http://spinoff.org.au/ for more details or to register your team.

Have a wonderful day - Jess

**FENCE FRIENDS**

You might have seen our fence friends on our front fence by the main entry gate. If you would like your child to be included (at no charge) please send in a face photo and a full body photo of them in their favourite outfit!

**CLASS NEWS**

**ECHOES from PREP/1**

Welcome to the beginning of the school year and the first weeks of Prep and Year 1. Most of the Prep students have started to settle into a routine of coming to school and what the day holds for them. We are working hard with those students who find it more difficult to be away from their home and parents for longer periods of time and must say that once parents leave they have a wonderful day exploring their new surroundings and learning new things. We hope that the next couple of weeks will make it even easier for them of a morning.

In English we are exploring recounts of things we have done at school and other people’s experiences. In Maths we have been looking at days of the week and sequencing activities according to the time they are done. We are also starting to learn about counting.

We have started our first History unit about families. You would have received a form to fill in and return to school about family backgrounds. Please return by TOMORROW- thank you! Our last unit is Science which is about Movement so we are exploring how objects, and our bodies, move.

Please read as many books and text items to your child as possible during the week so that they are exposed to more new words and explain the meaning of words you think they will not understand to support their learning as well.

Please return home work on Monday with their library book until we sort out our Library day. Thank you for your support in helping your child learn to the best of their ability.

Regards TANYA, DENISE AND BELINDA

**THE SCOOP from 1/2/3**

Welcome back to what looks like a terrific 2016! The students have certainly settled in well to our classroom routines. So far this term we have been spending a great deal of time enjoying what school is all about – learning, playing and having fun! In addition to this we have been discussing what our classroom rules look like with a focus on: Above the line, Below the line and Bottom line behaviours. These are displayed in our classroom if you would like to come and see.

In English we have begun looking at the emotions characters portray within a story. We are using the book, "Old Pig" as a vehicle for this study. We have begun the year off by reviewing the days of the week, months of the year and our seasons in Maths. Soon we will be reviewing our number knowledge.

With the extreme hot weather at present, it is vital that your child has a water bottle at school each day. Water bottles are accessible to the students throughout the day. Can you please also ensure that your child has some fruit or a healthy snack to have each day as we stop at 9:45 to have this prior to our Keys to Literacy groups.

If you wish to speak with me regarding anything, please do not hesitate to make an appointment to see me either before or after school.

LIZ

**THE BUZZ FROM YEAR 3/4**

Welcome to the beginning of an amazing 2016. We have had a busy (and hot) start to the year and we are getting well underway with all of our subjects.

In English we have started investigating the novel "Matty Forever". We have been finding noun groups and verb groups which help to develop the characters in the story. We used the noun group clues to help us draw the house of one of the main characters.

In Maths we have been working on time; looking at reading and writing times, calendars and seasons. We have also been playing a fun maths game called "Get out of my house".

We have also started our History unit where we have discussed the differences between celebrations and commemorations. We have completed a calendar with many of the events we celebrate here in Australia and some from other countries.

In Art we have created portraits and have worked on line drawings.

Homework was sent home this week and is due back in on the 15th February. We will test Spelling words on Fridays and new words will be sent home each Monday. Please come and see me if you have any concerns or queries. Library borrowing will also start very soon.

I am looking forward to a great year with your children.

KELLY

**HOT GOSS from 4/5/6**

Welcome to our senior class for 2016. We are looking forward to working with your 3 children. We are, of course, still settling into routines; we are all 2/3 of our class being ‘new’. However, in saying that, they have settled in very well and they will, we are sure, set a very good example to the rest of the school and set a lovely tone. We are looking forward to hearing Captains’ and House Captains’ speeches this afternoon at Assembly.

Mrs Patterson teaches mainly English and Maths on Monday/Wednesday. In English we have begun reading the novel, *Forests of Silence* by Emily Rodda. In Maths Grade 4 have been looking at large numbers and can even read numbers up to trillions! Grades 5 & 6 have been revising Multiples and Factors. We have all been learning a great warm up game called Unders and Overs.

In Science students are learning about Matter (solids, liquids and gases) and have been doing some fun experiments. They have also started their History unit. Ms Christie teaches these subjects on Thursday and Friday.

We don’t have a fruit break as such, but students are more than welcome to have ‘easily eatable fruit’ in the classroom during the morning period. Nothing too messy or time consuming please. 😊

Thank you to parents for sending your children to school well equipped to start the school year. As you get more supplies (e.g. your 3 reams of paper) please send them in and we will mark them off on your child’s booklist.

ROAD SAFETY AT ELLIOTT HEADS STATE SCHOOL

To keep ALL of our children safe, please observe these simple road safety tips.

PARKING and MOTORISTS’ RESPONSIBILITY

- If you approach Breusch Road from Elliott Heads Road, it is illegal to cross the double white lines at the front of the school to park in the angled parking. These parents must either
  - Park on the side of the road opposite the school, in the marked parking zones, OR
  - Drive down to the bus bay and turn around to come back to the angled parking.
- The angled parking spaces are very narrow and many families drive large vehicles. Please supervise your children getting into and out of the car so that they don’t damage other cars.
- Parking is not permitted BY LAW on the school premises (i.e. in the staff’ car park). This has to do with the issue of liability if an accident occurs.
  - For the same reason, parents and children are not allowed to walk through the staff car park.
- It is illegal to park in the Disabled Car Space unless you are displaying a current Disabled Parking Permit (red or blue).
- It is illegal to park in the No Stopping/Parking zone to the right and left of the front school gate. Parents wishing to stop briefly to drop of a child and then go again, must use the STOP, DROP and GO zone in the bus parking area.
- It is illegal for a driver to stop:
  - on a children’s crossing
  - within 20m before and 10m after the children's crossing.

Penalties for speeding and illegal parking

- Please observe the speed limits for school zones from 7.30 - 9.00a.m. and from 2.30 - 4.00 p.m. Mobile patrols often visit school zones and you would be subject to the fines and penalties under the law, if caught speeding or parking illegally.

Seatbelt laws

Babies aged under one must be protected in an approved child restraint (for example, a baby capsule) that is properly fastened and adjusted.

Children over one and under 7 should be restrained by an appropriate Standards-Australia approved child restraint, for example, a child seat or booster seat.

The driver’s responsibility: The driver is responsible and risks a fine of $225 and three demerit points for ignoring these laws. The only exemption is on medical grounds where a certificate is provided by a doctor.

If more than one seat belt offence occurs within a 12-month period, an additional three demerit points will apply. The additional demerit point penalty will apply to driver-related offences for seatbelts, and rider-related offences for helmets.

PEDESTRIANS

- All entry to the school, is either via the bus gate or via the front gate. There is no entry to the school via the gate to the teachers’ car park, for safety/legal reasons.
- It is illegal to cross a road at another point, if there is a marked or designated crossing within 20m. Please ensure your child’s safety by walking to the crossing yourself to supervise their safe crossing of a very busy road.
- Parents should refrain from calling their children across to the other side of the road, at any point other than at the marked crossing.
CYCLISTS

- Cyclists must, by law, use a bicycle lane unless it is impractical to do so.
- Cyclists should ONLY ride on the edge of the road when there is no other alternative.
- Cyclists using the road in this way are bound by all the normal road rules for motorists.
- Queensland law requires that everyone must wear a helmet when riding a bike.
- When buying a helmet it must
  - have the Australian Standards mark — TM AS 2063, AS/NZS 2063
  - fit firmly and comfortably on the person's head and shouldn't be able to move in any direction
  - have adjustable straps so there is no slack when it is fastened.
- Cyclists are not permitted by law to ride across a road on a pedestrian crossing, children's crossing, or marked foot crossing. This includes pedestrian crossings situated at traffic lights. Cyclists should dismount and wheel their bikes across the crossing.
- When riding on a footpath or shared path, the rider must keep to the left and must give way to any pedestrian on the path.
- Cyclists MUST NOT cycle on Elliott Heads Road, which is a 100km zone. Children riding on Elliott Heads Road will be banned from riding their bikes to school.

MAGPIES

- tend to swoop from behind, often from the direction of the sun, so an approaching shadow can be a warning.
- usually sound a specific and recognisable squawk as they attack and some also clack their beak.
- sometimes make warning swoops and deliberately miss while some will make contact.
- usually target the head but learn not to attack helmets so they perform a side swoop attacking ears, cheeks and even eyes.

Remember:

- In an actual attack, dismount to avoid danger from traffic or from a fall—more people are hurt falling from their bike during a magpie attack than by the bird itself.
- Once you have dismounted, look the bird directly in the eye—magpies usually won't attack when you are watching them.
- Other strategies can be to wave your arm above your head and shout to confuse and warn the magpie off.
- To avoid attack in the first place, an orange bike flag on a long stick can warn a magpie off. Painting eyes on your helmet is not very effective as magpies have strong eyesight and can detect the difference between painted and real eyes.
- Magpies have a fairly small territory so it is usually possible to travel an alternative route during the swooping season.
BUS TRAVEL TO RIVerview

Our current bus service does not service families living in Riverview, however, I am happy to approach Stewart and Sons to get our bus service extended, if there is enough interest. In order to do this I need to have a commitment from Riverview families that they WILL use a bus service, if it is made available.

The bus service currently services Elliott Heads itself (paying customers) and Coral Cove/Innes Park (subsidised customers). Students living in these areas generally get their bus travel for free, if they meet the ‘more than 3.2 kilometres from the school’ criteria.

Applications for ALL bus travel should be made directly to Stewart & Sons by phoning 07 4153-2646 or calling in to their office in Targo Street Bundaberg.

TEAR OFF SLIP-RIVerview BUS TRAVEL

I AM INTERESTED IN HAVING THE BUS SERVICE EXTENDED TO RIVerview. I WILL COMMIT TO MY CHILDREN USING THIS SERVICE IF IT IS INTRODUCED.

NAME: ___________________________ CONTACT NUMBER: ___________________________

ADDRESS: ________________________________________________________________

I HAVE _____ CHILDREN IN GRADES __________________________________________
