Thought for the Week: Five Undeniable Facts of Life:
3. The ones who really love you will never leave you because even if there are 100 reasons to give up, they will need just one reason to hold on.

OUR FANTASTIC COMMUNITY
We are truly blessed to have such a fantastic community, and the last 10 days have been wonderful examples of this.

Last week we had an army of parents coming up to help spread the sand under the new playground-25m³ of it! This was aided significantly by the efforts of Allan Campbell with his dingo, and Mark and Karen Cramb from our local community, who own a business called the Little Dirt Mover. On Monday we had another group of parents spreading the remaining sand, so students could play on the new playground at first break, which they REALLY enjoyed! Thanks everyone! Just as an aside, Karen Cramb is also working very hard for our community on the ANZAC Day Committee. Thanks Karen.

On Tuesday, Allan was back with his dingo to move another 5m³ of sand into the sandpit (we used the old sand under the playground). Thanks Allan!

On Monday afternoon, a new dad, Mark Wilkinson, started putting shelves up in our reading resource room, so that we can make better use of a small space to organise reading books and home readers for students. He has been working each afternoon to complete the job. Thanks Mark!

On Saturday, Jeremy Vallis, another new dad, is putting up some pool fencing on either side of the swings, to stop children accidentally getting hurt by running through the swing area, from playground to playground. Thanks Jeremy!

To top all that off, last Thursday, Mary Johnston from the Tyrian Masonic Lodge number 27, attended our School Leaders Induction Ceremony. The Lodge is a long-term supporter of our school and, as always, Mary asked if there was anything we needed. I told him I don't like to ask, but he said to go ahead. I told him of all our little projects such as the sand and fencing for the new playground and the shelving in the reading resource room and explained that everyone was giving their time for free. Last night I received a text from Merv to say that the Tyrian Masonic Lodge Fundraising Committee had approved funding for all of our projects, close to $2000. We cannot thank them enough.

In addition to this, I would like to make special mention of long-time community members and supporters of our school, Ruth Mansfield and Larry Groves. Ruth and Larry work hard on the ANZAC Committee for our community and the P&C for the school, but also volunteer at our school as Rotary Readers, Tuckshop Chefs and Tuckshop helpers. They also help out at any activities we have such as sand shovelling last week, running the BBQ at school fairs, helping out with book-keeping and auditing, etc. They are always there when we need them. Thanks Ruth and Larry!

GENEROUS P&C DONATIONS
The P&C has also donated $1500 for the students' Mathletics subscription for the year, to save parents $15 per child. The P&C had also put $1000 towards the cost of the sand for the new playground, which can now be put towards other projects. These are the kinds of things our P&C works towards to support our students, so I hope we will see many of you at our next two meetings:

P&C Meeting: Thursday 17th March, 9am in the Library.
Fundraising Meeting: Monday 21st March, 9am in the Library.

BOOK CLUB
As a school and P&C we have decided that participating in every bookclub throughout the year is a big financial drain on parents' purses. We will only be doing book club at the end of each term. Perhaps parents can use it as an incentive for good behaviour, doing homework without arguing, etc.

Safety, Responsibility, Respect and Learning
P&C PICKINGS

Next Meeting: Thursday 17th March, 9:00am, in the library.
Next Fundraising Meeting: Monday 21st March 9:00am
Email: pande@elliottheadsss.eq.edu.au
President: Felicity Morley
Vice President: Lyn Barton
Secretary: Monica Ale
Treasurer: Belinda Biggs
Fundraising: Jillina Whittaker

FACEBOOK PAGE: Please ask to join!

Elliott Heads Parents and Staff- It’s a great way for us to keep in touch with you!

TUCKSHOP SPECIALS FOR THE NEXT FEW WEEKS ARE:

Next Week: Chicken Fried Rice for $2.50 (limited serves left) and Taco Boats $3.00
Week after: Savoury muffins and quiches for $2 (or $3 with a basic salad)
Last week of school: Fish and Chips

SCHOOL DISCO

Our disco will be held from 5:00-7:00 p.m. on Friday Night 11th March. The theme, decided by the Student Council, is ‘Fairytales’, so get your thinking caps on. Anything from Princesses to Pirates, Tigger to Puss in Boots, even just some stars and glitter!

Food: Sausage Sandwiches or Vege Patties $1.50 each, purchase on the night. Drinks: Poppers and water $1 each and Zooper Doopers 50c each.

Parents are reminded that this is an Elliott Heads School Disco. Any ex-students who attend, must have an siblings currently at the school, and be there under the supervision of their parents. Usually ex-students are there as helpers, not as participants. Thanks.

SHAVE FOR A CURE

One of our students, Kiah in Year 4, will be shaving for a cure on the night of the Disco. All entry fees ($2 per child or $5 for a family) as well as profits from food, will go to the Leukaemia Foundation. There will be a donation tin going around on the night if you’d like to make a donation. Entry fees will give each child a spray of coloured hairspray on the night to support Kiah in this very brave event.

ELECTION DAY CAKE STALL

Election Voting is being held at the school on Saturday the 19th March 2016. Back by popular demand, the P&C is holding a cake stall. We are asking parents to bake for this stall. You can help by:

1. Bake at home and bring in cakes/cakes/slices/muffins/cupcakes.
2. Attend a baking day at L & J’s restaurant at the Bowl’s Club on Friday 18th March
3. Donate a packet mix and eggs for others to bake.
4. Help out at the cake stall on the day.

More details to come about how to donate your cakes etc.

SCHOOL LEADERS INDUCTION

Congratulations to our new school leaders who were inducted at last Thursday’s assembly.

SCHOOL CAPTAINS: Lachlan, Bella K and Keely
SPORTS CAPTAINS: Turtles: Ashanti and Riley
Dolphins: Tyson and Steph

STUDENT COUNCILLORS: Slade, Jaden A, Charlee, Tameka, Sahara, Sam H and Bella H.

Thanks also to Merv Johnston from Tyrian Masonic Lodge No 27, and Pearl and Les Kourkoski, our Sports Sponsors, for their attendance. Pearl was a former student of our school and underwent surgery on Monday. We wish her all the very best for a speedy recovery.

WHAT’S HAPPENING AT EHSS

03 Mar Mrs Shield and Miss Eizenberg at Maths training
04 Mar Mrs Patterson at a Principal’s meeting
11 Mar Disco 5-7 pm
11 Mar Shave For A Cure-Kiah
12 Mar Chappy’s Spin Off Fundraising Event 3-6pm YMCA
19 Mar Election Day Cake Stall
24 Mar Level Rewards Day
24 Mar Last day of Term 1

SCHOOL FOCUS FOR READING:

OUR STRATEGY FOR THE REST OF THIS TERM IN GRADES 3-6 IS QUESTIONING.

Questioning involves posing questions before, during and after reading a text. It plays an important part in the process of self-monitoring and assists students to engage with the text at a richer level.

There are two types of questions:

The questions below are the types of questions students might have to answer as part of a comprehension activity or on a NAPLAN test.

- **Right there** – in the text, e.g.,
  What colour sweatshirt was the Sally wearing?
- **Think and search** – in the text but may require you search around, e.g.,
  What were the weather conditions like on the day of the boating accident?
- **Author and you** – there is some help in the text but you also need to use your own background knowledge, e.g.,
  What skills might Sally have, that will help her get out of a tricky situation?
- **On your own** – big idea questions that use your own knowledge and thinking skills, e.g.,
  What do you think Sally could do differently, next time she is in a situation like this?

The other type of questions we ask, are those all good readers ask OF THEMSELVES as they read a book. They ask these questions BEFORE, DURING and AFTER reading.

The language we might use when asking questions:

- I wonder why, where, when, how, if, who...
- What is going to happen next?
- What is the author trying to tell me?
- Do I already know something about this topic?
- What do I think I will learn from this text?

ABCs Of Student Success

Q is for QUESTIONS.

Find out what is on your child’s mind by asking questions.
- Ask specific questions. Your child is more likely to have an answer to Who did you play with at recess? than How was your day?
- Ask open-ended questions. How did you do that? or What would happen if... questions will yield more information than questions that can be answered in a word or two.
- Help your child develop critical thinking skills by responding to his or her questions with questions.

Copyright EducationWorld.com

UNIFORMS

I have been in touch with Procurement Branch of the Department regarding the rules around us engaging a new uniform supplier, LW Reid, who are unfortunately not on the Department’s preferred Supplier list as they are in NSW.
In the circumstances the Department has agreed we can source them there, and I am in the process of getting contracts signed, etc. Later this year we will need to go out to other Queensland Suppliers again and try to source our uniforms for next year, that way. Again, apologies for the delay, but it is beyond our control. Thanks for your patience.

A note will come out shortly regarding the sizes people are wanting to order. The sizes from LW Reid are, I believe, a little smaller than the sizes from Shawline were. We have a student who was wearing size 12 in the Shawline sizes, but is currently wearing a size 14 trial shirt from LW Reid. The LW Reid shirts do not have the stretch effect we have seen in the Shawline shirts. The fabric on the LW Reid shirts is much firmer. That information might help parents who have student wearing shirts from Shawline with their sizing.

**CHAPPY CHAT**

Hello everyone

*Your mind is a powerful thing. When you fill it with it with positive thoughts, your life will start to change.* - Unknown.

I hope you are all having a wonderful week. I also hope that you have found many reasons to smile this week and if not, then just take a few minutes to think of 3 good things that have happened over the past week that you can look back on a smile about.

**Just a small reminder** - Our spin off team will be competing against all the other schools in Bundaberg on the 12th March from 3-6 pm at the YMCA in Queen Street, Kepnock. If you are interested in supporting your school team please don't hesitate to make a donation - all proceeds go to supporting our school chaplaincy program. If you have any questions please come and see me. Registrations close on Sunday.

We will also be selling icy poles on the Thursday 3rd and 10th March during 1st break to sponsor our Spin off team. All the money raised will be go directly back to our school for our chaplaincy program. ($1 an icy pole)

Come and visit us at Brekky Club - Parents, you are more than welcome to buy a morning Coffee, Hot Choc or Chia ($2) at the tuckshop on Tuesdays and Thursdays mornings before school. All the money raised goes to supporting our Brekky Club program.

**Happiness is what you think, what you say, and what you do are in harmony.** - Gandhi

Be Beautiful, - Jess

**FENCE FRIENDS**

You might have seen our fence friends on our front fence by the main entry gate. If you would like your child to be included (at no charge) please send in a face photo and a full body photo of them in their favourite outfit!

**CLASS NEWS**

**ECHOES from PREP/1**

Week 6 and most of the students are arriving happy and ready to learn now. Remember school is exhausting for children and getting to bed by 7:30pm and lots of healthy food helps them get through each day. Arriving at school is best between 8:30 and 8:45 so they get a chance to play and/or chat with friends and get organised for learning.

In English we are now looking at how written and oral stories recount character/people’s adventures and/or things that have happened to them.

In Maths we are continuing to do lots of work on learning to count, addition and subtraction of collections of items or numbers. We have also started exploring 2D shapes and measurement of length.

We have finished our first History unit about families and are starting on our second unit about personal and global stories from the past like birthday’s and ANZAC Day.

In Science we are still in the process of making our own moving items so we still need more recycleable items to be brought to school thanks. **No toilet rolls** due to hygiene.

Empty cardboard boxes, cling wrap rolls etc., egg cartons, plastic containers and milk bottle tops all cleaned.

Please keep reading lots of books to your child and working on their sounds for the letters written in their homework as they need to know them automatically when they see the letter before they are able to start reading and writing.

I suggest you write the letters onto separate pieces of paper and use them as flash cards for your child to tell you the sound. Please do not refer to the letter name at this point as this confuses them. At school we say "what is the sound for this letter" and if they don’t know then do the sound for them and ask them to repeat it. If you are not sure of the sounds please come and see us and we will help you so they get the right sounds.

Please return homework and library books on Friday or Thursday if they are finished by then so we can mark them and return on Friday with the sounds they have learnt that week to practise. Thank you for your support in helping your child learn to the best of their ability. Regards TANYA, DENISE, BELINDA

**Playgroup News**

Playgroup has been fun for all those attending over the last couple of weeks. We have been doing painting, crafts, puzzles, listening to stories and songs, dancing, exploring in sand, dirt and water troughs, using our imagination in the sand pit, home corner and block area, climbing on the obstacle course and playground and meeting new friends. It has been great seeing so many children and parents each Friday morning. Don’t forget that you need to sign in on the register near the back door in case of an emergency at the school. See you all again soon.

Regards TANYA, DENISE, BELINDA

**THE SCOOP from 1/2/3**

Over the last fortnight we have been working hard on making two digit numbers with a variety of materials and counting in 2’s, 5’s and 10’s both forwards and backwards. If you were looking for something to work on in the maths section of your child’s homework, this would be perfect.

In English, we have been working on writing interesting sentences, making sure they contain nouns, lots of description along with the correct punctuation. This work is being done in the lead up to the children writing their own imaginative stories next week.

Using secondary colours and the tones and shades of colour has been the focus of our artwork. I must say the students have done a terrific job!

You will notice that I sent home a work sheet from our History unit this week. The students are required to explain why they placed the items used for listening to music from the past to the present in the order they did. These items were a phonograph, record player and an mp3/iPod. An example of how to do this is on the sheet using games from the past and present.

Thank you so much to all the students who are bringing in their homework on a regular basis. Please remember that our Library book are due back on Friday.

LIZ

**THE BUZZ FROM YEAR 3/4**

The weeks are flying by and we are in the full swing of working hard and completing assessments.

In Maths this fortnight year 3s have been working on adding 2 digit numbers using the split strategy and measuring using informal units and centimetres. Year 4s have been adding 3 digit numbers and larger using the split strategy and have been estimating and measuring using metres. Our estimation skills are quite impressive.

In English we have finished reading "Matty Forever" and have started planning for our own friendship themed narratives. We have come up with some great noun groups and verb groups to help us portray our characters clearly.

In History we have continued looking at celebrations and commemorations. This fortnight we have discussed Australia Day and Anzac Day.
Homework is now coming home on Mondays and is due back in each Monday (not fortnightly). Library borrowing will still happen on Thursdays and Spelling tests will be on Fridays.

KELLY

HOT GOSS from 4/5/6

This week we tried on old Grade 7 shirts (thanks for sending them in) and are ready to place our order. However, we are still waiting for several order forms and $20 deposit. If these are not in by next Friday your child will miss out.

In English we have finished reading the novel, *Forests of Silence* by Emily Rodda. We will start the second book in the series, *Lake of Tears*, on Monday. Leif, Jasmine and Barra have the first stone in the Belt of Deltora and will embark on the quest for stone number two, out of seven in this next book. Students have now started to write the first chapter for their own fantasy novel, for their assessment task. They are typing them up as they go. Some students are saving them to their USBs so they can work on them at home, but any work on them at home MUST BE PURELY THEIR OWN WORK.

In Maths Grade 4 have been looking at shortcuts for multiplying by 10 and 100 and applying their skills to solving other questions. Grade 5 & 6 have also been using the Compensation Strategy for addition and subtraction as well as moving on to the standard addition and subtraction sum (algorithm), to solve problems. In Grade 6 we have moved on to fractions—all the different types of fractions, and working out equivalent fractions.

For our Maths Warm Ups over the next few weeks, we are practising questions from past NAPLAN tests. Just 5-10 questions a day, with discussion.

In Science students have been conducting experiments that explore the changing states of matter.

In Science students looked at melting and freezing matter, and evaporation.

In History some students are starting a research project where they get the choice to research a convict or a domestic servant. Other students are looking into the formation of Moreton Bay.

In Art students have made their own dream catchers, they have also started their Art portfolios with unique line pictures. We are also looking for old washed cotton shirts for a secret craft activity. Each student will need a couple of shirts, they are being cut up, so if there are rips in them, that’s fine. Students will also need $1 each for this activity. Money goes to Miss Christie.

HOMEWORK IS NOW WEEKLY: Please return next Monday 7th March. SPELLING TEST is also Mondays and LIBRARY DAY is Wednesday. Thanks for your help! TEENY & LORI

COMMUNITY NOTICES

Many of you might know that our new P&C President, Felicity Morley manages LJ's on the Beach, the bistro at the Elliott Heads Bowl Club. She and her husband have generously offered $1 for every kid's meal sold at LJ's, to go the school, to support students in need. This is our community at its best.

Thanks Felicity.

---

**ELECTION CAKE STALL**

I would like to help out the Election Stall. I can:

- Bake at home and bring in cakes/slices/muffins/cupcakes.
- Attend a baking day at LJ's restaurant at the Bowls Club on Friday 18th March
- Donate a packet mix and eggs for others to bake.
- Help out at the cake stall on the day.

Coral Coast Cluster Connect - News from Kepnock State High School Connecting with Their Feeder Primary Schools

What's been happening in February?

- **Student Leader Ceremony**
  73 Students from Years 8-12 were recognised as Student Leaders in the first of our Leadership Ceremonies for 2016. Year 7s will be able to be recognised as of Semester 2.
- **Junior Secondary Meet and Greet Evening**
  Over 200 parents and caregivers came and shared afternoon tea with their children’s teachers. Our next get together will be Parents/Teacher Interviews early Term 2.
- **Swimming Carnival**
  Year 7, 8 and 9 students participated in the annual swimming carnival at the school pool. Congratulations to everyone who participated!
- **Motivational Media**
  Once again the 3 giant screens of Motivational Media flared to life as they shared engaging and inspiring stories of “Everyday Heroes.”
- **In the Classroom**
  Year 7 English students are exploring the wonderful world we live in by sharing stories of their travels.
  Year 8 Science students are investigating how energy works and will apply this knowledge to build a Rube Goldberg machine!
CLASSES OF THE WEEK – 11 February 2016
PE: 1/2/3  MUSIC: 4/5/6  LOTE: Bella H
Attendance award: Cally

STUDENTS OF THE WEEK:
P/1: Te Paea – answering questions well in class
    Summer – drawing great pictures
1/2/3: Amelie – having a positive attitude to learning
3/4: Charlie – great start to Grade 3
4/5/6: Johno – working hard in all areas and being a helpful student

CLASSES OF THE WEEK – 18 February 2016
PE: 4/5/6  MUSIC: 3/4  LOTE: Sahara
Attendance award: Robert, Jayden A, Lilli W, Cally
Mathletics awards: SILVER: Bella

STUDENTS OF THE WEEK:
P/1: Jayden McLanders – being a great friend
    Kane - Doing great work in class
1/2/3: Ebani – putting amazing effort into her learning
3/4: Tameka – great start to Grade 4 and being a helpful classmate
5/6: Bella K – excellent work in English, especially spelling

PE: P/1  MUSIC: P/1  LOTE: Blake
Attendance award: Sam H, Jayden M, Emily E, Axel
Mathletics awards: SILVER: Blake and Moana

STUDENTS OF THE WEEK:
P/1: Te Ata – working well in class and answering questions
    Kobi - being a great helper in class
1/2/3: Marley – always working to the best of her ability
    Spencer – putting an excellent effort into his writing
3/4: Jayden – being a well-mannered classmate who is doing his best
5/6: Michael – always doing his best in all areas

SCHOOL UNIFORMS
Shawline Embroidery are unable to supply our school uniform and we have had to source the shirts from another supplier. This will result in the school stocking and selling our school uniform shirt and we are endeavouring to place an order by next Friday. To do this we need an idea of what your immediate requirements are to place an initial order. The shirts will be selling for no more than $25 each. Please return this form by Monday 07 March.
